

## DT100 - ALL-ROUND BOX LABELLING

DT100 is a flexible "multi-purpose" direct thermal Print&Apply solution that suits many applications within box- and product labelling - meeting demands for both accuracy and speed.

The DT100 has the reliable, robust and easy to use design - as seen on all the Mectec family machines. It is proven to give you 24 hours reliable labelling for many years to come - even in the most harsh industrial environments!

*Box, tray and parcel labelling. Applies on both moving and stationary products!*

*Printer and applicator in right hand version*

*Handheld terminal TG300 (optional)*

*Printer Control Unit PCU III*
